115 Schiller Street, Hermann, MO

This stately 3 story building sits prominently on a corner in beautiful downtown historic Hermann, Mo. The architectural detail is classic to Hermann and dates circa 1880. Extensive preservation by current owners brought these details back to life and the character of 115 Schiller has a built to last integrity.

Street level of the building houses 2 large storefronts that pre-covid were successfully operating as The Bank Bar at Schiller & Venue 115. Custom ironwork borders the walks & windows; a feature that distinctly accentuates the building's architecture.
